MUR # 6981

Mike,

Beginning later this week we will launch operation "Clean Sweep" which is a multi-pronged approach to take back our casino floor – more specifically, to remove / lessen the prostitution and to decrease shrinkage. Step one is to terminate Louis Lau (the current head of security) and then to reprioritize our efforts. Brian will be here for the launch.

Before we begin however, I do want to get feedback from you / Sheldon. During lunch, Stephen Weaver stated that Louis was informed by Bill to allow prostitution as it would help our overall gaming revenue. He also states that he personally informed Sheldon of the decision... and that Sheldon supported the decision.

While I find it hard to believe... would you please clarify so I can commence... or curtail our efforts? While this seems at odds with what I know to be Sheldon's "no tolerance" policy, Stephen was quite certain of his conversation and its outcome.

Thanks,

Steve

I have investigated the alleged comments made by bill and sga on this matter .there is no evidence that can be found that anyone here supported in anyway a different policy than we have in las vegas on these matters

IN THE CIRCUIT COURT OF THE
11TH JUDICIAL CIRCUIT IN AND
FOR MIAMI-DADE COUNTY, FLORIDA

CIRCUIT CIVIL DIVISION

CASE NO. 12-28537 CA 24

SHELDON G. ADELSON,

Plaintiff,

v.

STEVEN C. JACOBS,

Defendant.

DECLARATION OF STEPHEN J. WEAVER

I, STEPHEN J. WEAVER, being of sound mind, hereby voluntarily make the following statement under oath and based upon personal knowledge.

1. I am more than eighteen (18) years of age, am under no legal disability, and am competent to give this Declaration, which is based upon my personal knowledge.

2. I am a former employee of Las Vegas Sands Corp. and its subsequently-formed affiliate, Sands China Ltd., where I worked from 2005 through 2010. During my tenure, I held different senior management positions, including Chief Development Officer and Executive Director. Prior to working in business management, I was a practicing lawyer for twelve years.

3. Contrary to Steven Jacobs's assertions in this litigation and elsewhere, I have no recollection that I told him that Sheldon Adelson had personally approved any type of strategy for permitting or promoting prostitution in the company's hotels and casinos in Macau or elsewhere. Neither do I have any recollection of having received any direction or instruction from Sheldon

Adelson that he approve any such strategy. I do not believe that I would have said such a thing to Mr. Jacobs or would have received such an instruction from Mr. Adelson, as Mr. Adelson's opposition to any type of lascivious activity on his properties is well-known.

4. I understand that this Declaration may be used in a court proceeding. I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 15th day of April, 2013.

STEPHEN J. WEAVER

STATEMENT REGARDING SHELDON ADELSON**November 24, 2015**

On November 3, 2015, the Campaign for Accountability ("CfA") announced that it had asked the Senate Committee on Homeland Security and Government Affairs and the Federal Election Commission to investigate Sheldon Adelson, chairman and CEO of the Las Vegas Sands Corporation to determine the extent of their connection to organized crime in China and whether funds tied to Chinese organized crime may be reaching American campaign committees.

In publicizing these two filings, CfA made certain statements regarding Mr. Adelson that it now retracts. Based on evidence provided by Mr. Adelson to CfA after its announcement, the allegation that Mr. Adelson tolerated and possibly promoted prostitution has since been repudiated. CfA therefore retracts any statement asserting or implying that Mr. Adelson tolerated prostitution in any way. CfA apologizes to Mr. Adelson and his family for resurrecting allegations that have caused him deep hurt.

CfA further apologizes for and retracts its statements regarding Mr. Adelson's potential current connections to organized crime and possible illegal campaign contributions. The available evidence supports further investigation into these alleged matters but does not support the statements made by CfA outside of its filings with the Senate Committee on Homeland Security and Government Affairs and the Federal Election Commission.
